## 2018/2019 Tecnoglass Lecture Series: Impact

The **Tecnoglass Lecture Series** is a year-long program of lectures, interviews, and symposia focused on a theme that is of particular relevance to U-SoA. The 2018-19 series focuses on Impact. The series explores practices and works that have a significant effect on the built environment, whether with large infrastructural interventions or small but potentially transformative contributions.
