Greetings,

After reviewing the 2-year Interim Progress Report (IPR) submitted by University of Miami, the National Architectural Accrediting Board (NAAB) has concluded that the program has demonstrated progress toward addressing deficiencies identified in the most recent Visiting Team Report; the fifth-year report must demonstrate satisfactory progress toward meeting the SPC B.10 Financial Considerations deficiency.

Statistical Reports are still due annually.

If you have any questions regarding this matter, please contact the NAAB office.

Very truly yours,
